

## CLAUDIO CISILINO

Born in Udine, he graduated from the University of Udine, with a degree in Management Engineering in 2002.

He is married with two children.

## CURRENT POSITION

Executive Vice President of Operations, Corporate Strategy and Innovation since January 2023.

From 2019, he also serves as Deputy Chairman of the Board of Marine Interiors Cabins.

## CAREER

From 2016 to 2019, he served as member of the board of Vard Holdings Ltd, a company listed on the Singapore Stock Exchange.

In 2017, he moved to the Merchant Ships Division of Fincantieri where he was first appointed as Senior Vice President Newbuilding Italy and in 2018 as SVP Management Director of the same Division.

After two years, he was appointed Head of economic plans and Financial Controlling and in 2011 was promoted as Group VP of Financial Planning and Controlling.

In 2007, he started his career in Fincantieri within the M&A and Business Development department.

Before joining Fincantieri, he worked in consulting firms for five years as strategic consultant, in the last period at The Boston Consulting Group.

After graduating, he attended specialization courses in Financial Accounting and Business Management at Babson College, Massachusetts, USA.
