

## FINCANTIERI ONCE MORE RECEIVES ITALY'S MOST ATTRACTIVE EMPLOYER AWARD BY UNIVERSUM

***The company is the most sought-after by young professionals in its sector for the fourth year in a row***

**Trieste, October 10, 2022** – Also this year, Fincantieri has been awarded as “Italy’s Most Attractive Employer” by Universum, the company that certifies the most attractive companies for students and young professionals, based on the results of a detailed questionnaire.

For the fourth year in a row, the Group ranked first in the Manufacturing, Mechanical and Industrial Engineering sector for STEM (*Scientific, Technology, Engineering & Maths*) young professionals and second for students in the same category, reinforcing its leading position ahead of many industrial companies.

These results reward the constant attention that Fincantieri directs toward students and the ability to provide young talents with opportunities by involving them in new challenges and in an increasingly dynamic and evolving framework.

**Fincantieri** is one of the world's largest shipbuilding groups, the only one active in all high-tech marine industry sectors. It is leader in the construction and transformation of cruise, naval and oil & gas and wind offshore vessels, as well as in the production of systems and component equipment, after-sales services and marine interiors solutions. Thanks to the expertise developed in the management of complex projects, the Group boasts first-class references in infrastructures, and is a reference player in digital technologies and cybersecurity, electronics and advanced systems. With over 230 years of history and more than 7,000 ships built, Fincantieri maintains its know-how, expertise and management centres in Italy, here employing 10,000 workers and creating around 90,000 jobs, which double worldwide thanks to a production network of 18 shipyards operating in four continents and with over 21,000 employees.
