

FINCANTIERI: “FOUR SEASONS I” LAUNCHED IN ANCONA

Today Fincantieri and Marc-Henry Cruise Holdings LTD, Joint Owner/Operator of Four Seasons Yachts, celebrated at the shipyard in Ancona the launching of “*Four Seasons I*”, the first ultra-luxury vessel under construction for Four Seasons Yachts, which will be delivered at the end of this year and setting sail in January 2026.

The launching ceremony was attended for Fincantieri by its Chairman, Biagio Mazzotta, the CEO and Managing Director, Pierroberto Folgiero, the General Manager Merchant Ships Division, Luigi Matarazzo, while for the shipowner by Nadim Ashi, Owner and Executive Chairman, Marc-Henry Cruise Holdings LTD, Joint Owner/Operator of Four Seasons Yachts/Founder and CEO of Fort Partners, by Prosper Assouline, Creative Director, Four Seasons Yachts, and Bart Carnahan, President, Global Business Development, Portfolio Management and Residential, Four Seasons.

With an all-suite, residential style product, “*Four Seasons I*” will set a new standard for luxury at sea. The vessel, which will be using the very latest in environmental protection technologies, will be 34,000 gross tons, 207 meters long, and will have 95 exclusive suites with remarkable custom design, focused on removing barriers between guests, the sea, and their surroundings. Each suite features extensive terrace decks, reaching up to impressive 457 square meters in the prestigious Funnel Suite, the Yacht’s most exclusive accommodation.

Fincantieri is one of the world’s largest shipbuilding groups, the only one active in all high-tech marine industry sectors. It is leader in the construction and transformation of cruise, naval and oil & gas and wind offshore vessels, as well as in the production of systems and component equipment, after-sales services and marine interiors solutions. Thanks to the expertise developed in the management of complex projects, the Group boasts first-class references in infrastructures, and is a reference player in digital technologies and cybersecurity, electronics and advanced systems.

With over 230 years of history and more than 7,000 ships built, Fincantieri maintains its know-how, expertise and management centres in Italy, here employing over 11,000 workers and creating around 90,000 jobs, which double worldwide thanks to a production network of 18 shipyards operating worldwide and with over 22,000 employees.
