Fincantieri is one of the world's leading shipbuilding groups, the only one active in all areas of high-technology shipbuilding. It is a leader in the construction and conversion of cruise vessels, as well as in the naval and offshore vessels. It operates in the wind, oil & gas, fishing vessel and specialized vessel segments, as well as in the production of mechatronic and electronic marine systems, naval accommodation solutions and the provision of after-sales services such as logistical support and assistance to fleets in service.

With over 230 years of history and more than 7,000 ships built, Fincantieri maintains its know-how, expertise and management centres in Italy, here employing 10,000 workers and creating around 90,000 jobs, which double worldwide thanks to a production network of 18 shipyards operating in four continents and with over 21,000 employees.
