

FINCANTIERI: ASSESSMENT OF THE REQUIREMENTS FOR THE OFFICE OF DIRECTOR AND OF STANDING AUDITOR

The Board of Directors of FINCANTIERI S.p.A. (“Fincantieri” or the “Company”), chaired by Claudio Graziano, held today and – on the basis of the declarations and information provided by the new Director – assessed that Barbara Debra Contini, appointed as member of the Board of Directors by the Shareholder’s Meeting held on May 31, 2023, meets the integrity and professional requirements and that no causes of ineligibility and incompatibility exist, as required by current regulations as well as that she respects the maximum number of offices, taking into account the guidelines adopted by the Company on the matter.

The Board of Directors also assessed that Barbara Debra Contini meets the independence requirements provided for by Article 147-ter, paragraph 4 and Article 148, paragraph 3, of Legislative Decree No. 58 of February 24, 1998 (the “Italian Consolidated Law on Finance”) as well as by Article 2 of the Corporate Governance Code, also taking into account the quantitative and qualitative criteria of significance for commercial, financial or professional relationships and for additional remuneration adopted by the Company.

The Board of Statutory Auditors verified the correct application of the criteria adopted by the Board of Directors.

The Board of Directors also appointed the Director Barbara Debra Contini as member of the Nomination Committee and as member of the Sustainability Committee.

Please note that the Director Barbara Debra Contini and the members of the Board of Statutory Auditors, at the date of their appointment, May 31, 2023, did not hold Fincantieri’s shares.

Fincantieri is one of the world's largest shipbuilding groups, the only one active in all high-tech marine industry sectors. It is leader in the construction and transformation of cruise, naval and oil & gas and wind offshore vessels, as well as in the production of systems and component equipment, after-sales services and marine interiors solutions. Thanks to the expertise developed in the management of complex projects, the Group boasts first-class references in infrastructures, and is a reference player in digital technologies and cybersecurity, electronics and advanced systems.

With over 230 years of history and more than 7,000 ships built, Fincantieri maintains its know-how, expertise and management centres in Italy, here employing 10,000 workers and creating around 90,000 jobs, which double worldwide thanks to a production network of 18 shipyards operating in four continents and with almost 21,000 employees.
