In any member state of the European Economic Area and the United Kingdom (each a "Relevant State") that has implemented Prospectus Regulation, this document is only addressed to qualified investors in that Relevant State within the meaning of the Prospectus Regulation (also in the United Kingdom, as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018).

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; (c) local implementing measures; and (d) in respect of firms which are subject to the requirements of the U.K. Financial Conduct Authority's (the "**FCA**") Handbook and the Product Intervention and Product Governance Sourcebook, the relevant provisions of MiFID II as they form part of U.K. domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**") ("**U.K. MiFID II**"), (letters (a)-(d) together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the pre-emptive subscription rights (the "**Rights**"), the Warrants and the new ordinary shares (the "**New Shares**") have been subject to a product approval process, which has determined that the Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II. In respect of firms which are subject to U.K. MiFID II, references in this section to MiFID II shall mean the relevant provisions thereof as they form part of U.K. MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**Target Market Assessment**").

Any person subsequently offering, selling or recommending the Rights, the Warrants and the New Shares (a "distributor") should take into consideration the manufacturer's Target Market Assessments; however, a distributor subject to MiFID II Product Governance Requirements is responsible for undertaking its own target market assessment in respect of the Rights, the Warrants and the New Shares (by either adopting or refining the manufacturer's Target Market Assessments) and determining appropriate distribution channels.

Notwithstanding the Target Market Assessment, distributors should note that: the price of the Rights, the Warrants and the New Shares (as defined in the offering materials) may decline and investors could lose all or part of their investment; the Rights, the Warrants and the New Shares offer no guaranteed income and no capital protection; and an investment in the Rights, the Warrants and the New Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom.

The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Offer. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Joint Global Coordinators will only procure investors who meet the criteria of professional clients and eligible counterparties. For

the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Rights, the Warrants and the New Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Rights, the Warrants and the New Shares and determining appropriate distribution channels.
